WORK EXPERIENCE

Android & Full-Stack Developer
Team ERP, KIET

08/2017 – 08/2018

Full Stack Developer Intern
NK Learnicare ⧉

11/2018 – 02/2019   *Mumbai*

Lead at Developer Student Clubs
Recognised by Google ⧉

01/2019 – Present

PROJECTS

ShowMyMovie ⧉
- A node.js based website, that searches movies from OMDB and displays the results to the user. Users can download their favourite movies as well.

Shopkart
- Android application, integrated with node.js APIs, that brings online and offline shopping experience together. The web admin panel is also built on nodejs

NK Learnicare (11/2018 – 02/2019) ⧉
- I served as a full-stack developer intern at NK Learnicare. Moreover, I managed three more Interns under my role and helped them to build their Android Application. Besides this, I did some marketing and designing stuff for the organisation, and received a letter of recommendation from the CEO of the organisation

KIET Website ⧉
- Our College Website, i.e. Official website of KIET Group of Institutions. Here, I served as the frontend developer

CoursesOnline ⧉
- This is nodejs based website. Courses on this website are from scrapped data from a site, known as FreeTutorials.eu. Courses can be downloaded as well.

Developer Student Clubs KIET (01/2019 – Present) ⧉
- Website of Developer Student Clubs KIET, powered by Google Developers.
